

DIAMOND

ProHealth HMO Limited Health Plan

ProHealth's DIAMOND Health Plan Benefits 2019

Out-patient Services

- a. General Consultation
- b. Specialist consultation
- c. Supply of prescribed drugs & medications
- d. Physiotherapy
- e. Management of Chronic Conditions;
 - a. Hypertension
- b. Diabetes
- c. Sickle cell Anemia
- d. Asthma
- f. Ambulance services
 - a. Between hospitals
 - b. From road side to hospitals

Laboratory & Diagnostic Services

HAEMATOLOGY

Basic/Primary investigations

- a. Haemoglobin (Hb)
- b. Packed Cell Volume (PCV)
- c. White Blood Cell (Total & differential)
- d. Red Blood Cell Count (RBC)
- e. Full Blood Count
- f. Blood group
- g. Genotype
- h. Malaria parasite
- i. Platelet count
- j. Erythrocyte Sedimentation rate (ESR)
- k. Cross Matching

Secondary Investigations

- a. Direct Coomb's test
- b. Indirect Coomb's test
- c. Bleeding time
- d. Clotting time
- e. Prothrombin time
- f. Reticulocytes
- g. Mean Corpuscular Haemoglobin concentration (MCHC)
- h. Mean Corpuscular volume (MCV)
- i. Mean Corpuscular Haemoglobin (MCH)
- j. Sickling test

- b. Random blood sugar
- c. Electrolyte, Urea & Creatinine
- d. Calcium
- e. Phosphorus

Secondary Investigations

- a. Prostatic Acid Phosphatase
- b. Total acid phosphatase
- c. Amylase
- d. Cholesterol
- e. Triglyceride
- f. HDL / LDL
- g. Liver function test
- h. Alkaline Phosphatase
- i. CK Amylase
- j. Oral Glucose Tolerance Test
- k. Protein electrophoresis
- l. 2hrs Post prandial test
- m. Glycated/Glycosylated Haemoglobin (HbA1c)
- n. Total Bilirubin
- o. Direct Bilirubin
- p. Indirect Bilirubin
- q. SGOT & SGPT
- r. Total protein
- s. Albumin
- t. Creatinine clearance
- u. Uric acid
- v. CSF glucose
- w. CSF protein

CLINICAL CHEMISTRY

Basic/Primary investigations

- a. Fasting blood sugar

MICROBIOLOGY

Basic/primary investigations

FIRST FLOOR, BASSAN PLAZA, 759 10TH STREET, OFF INDEPENDENCE AVENUE, CBD, ABUJA. WEBSITE: prohealthhmo.com

EMAIL: info@prohealthhmo.com; Call Center: 0700 PROHEALTH, 0700 776 432 584; Call Center (Text and WhatsApp only): 0705 425 6183

- a. Urinalysis
- b. Urine m/c/s
- c. Stool m/c/s
- d. HVS m/c/s
- e. Sputum m/c/s
- f. Urethral & wound m/c/s
- g. Stool occult blood
- h. Pregnancy test

Secondary Investigation

- a. Microfilaria
- b. Mantoux / Heaf test
- c. Semen culture & sensitivity
- d. Semen analysis
- e. Skin scrapping for fungal examination
- f. Sputum AAFB for Tuberculosis
- g. H. Pylori assay
- h. Skin snip
- i. CSF m/c/s
- j. Blood culture

SEROLOGY

Basic/Primary Investigation

- a. Widal test
- b. VDRL
- c. Pregnancy test (Blood)
- d. Hepatitis B surface antigen
- e. HIV 1 & 2 screening

Secondary investigations

- a. Rheumatoid factor
- b. ASO titre
- c. Clamydia screening
- d. Confirmatory test for HIV 1 & 2
- e. Viral load
- f. CD4 Count

IMMUNOLOGY

Secondary investigations

- a. Cortisol
- b. Follicle Stimulating Hormone
- c. Growth Hormone (HGH)
- d. HCG level (Molar Pregnancy)
- e. HCG level (Pregnancy Test)
- f. Insulin
- g. Leutenizing Hormone (HTSH)

- h. Oestriol
- i. Oestradiol
- j. Prolactin
- k. Progesterone
- l. Testosterone
- m. Thyroid Screen
- n. Thyrotrophin

Other Investigations

- a. Pap smear
- b. Prostatic specific assay (PSA)

RADIOLOGICAL INVESTIGATIONS

Secondary investigations

- a. Chest x-ray & extremities
- b. Upper Limb
- c. Lower Limb
- d. Thorax (Chest)
- e. Vertebrae
- f. Skull
- g. Abdomen

Ultrasound Scan:

- a. Obstetrics
- b. Abdominal scan
- c. Abdominopelvic
- d. Pelvic
- e. Breast
- f. Prostate
- g. Scrotum
- h. Testes
- i. Thyroid
- j. Transfrontanellar
- k. Transvaginal
- l. Follicular tracking
- m. Tissue

OTHER INVESTIGATIONS

Secondary investigations

- E.C.G (Resting)
- ECG (Pre & Post exercise/stress)
- Echocardiography

Special Radiological Investigations e.g.

- Barium meal
- Barium swallow
- HSG
- MCUG
- RCUG
- Myelogram
- Intravenous Urography (IVU)
- Mammogram
- ECG
- Echocardiography
- C.T. Scan
- M.R.I

In –patient Services

- a. Hospitalization could be in general ward, semi-private room or a Private ward
- b. Skilled nursing care
- c. Inpatient medical services
- d. Supply of drugs and infusions
- e. Dressing
- f. Medical & surgical consumables
